To Whom It May Concern:

By way of this letter of recommendation I would like anyone considering a construction project to allow Pro-Mark Services, Incorporated to bid your project. Pro-Mark Services recently completed a comprehensive remodel of our branch office located at 51 Broadway, Fargo, North Dakota. The project required a detailed and aggressive time line for completion. The UBS Financial Services branch office project was completed two weeks ahead of schedule and on budget. This is quite an accomplishment when you consider they were remodeling a forty year old space. I found Pro-Mark Services very easy to work with and they possessed outstanding communication skills in keeping me apprised of scheduling conflicts, as well as, budgetary concerns.

If you have any questions, please feel free to contact me.

Sincerely,
